

Crystal Run Healthcare

Preparing for your visit at the CRHC's Covid-19 Evaluation Center

1. Call us upon your arrival (845)-615-6850.
2. Stay in your car. You will be contacted by our staff while in your car.
3. Once our staff speaks with you, you will be directed to an evaluation by one of our providers. This may be outdoors or inside the building.
4. No family members should come into the building with you unless you are the parent of a child that we are seeing.
5. You will be evaluated by a Crystal Run Provider, and testing will be done as needed.
6. If we test you for COVID-19, you will be sent home on quarantine. Follow the information on the red sheet provided to you.
7. Your COVID-19 results will be available in 4-5 days. We will contact you at that time.
8. If you are COVID-19 positive, we will also contact the Department of Health, who will give you additional information about the duration of your quarantine.
