

## Aaron Hitesman, M.H.A., Administrative Fellow, Lehigh Valley Physician Group

Aaron Hitesman is the administrative fellow for Lehigh Valley Physician Group (LVPG). He has experience in clinical workflows, practice operations, process improvement and data analytics.

Prior to his position with LVPG, Aaron worked with multiple teams and gained extensive experience in outpatient care. Aaron started his career in healthcare working as a medical assistant with the University of Utah hospital. Aaron worked for several years as an MA holding various leadership positions. While completing his undergraduate degree from Southern Utah University he worked as the clinical administrator for a pain management practice serving a diverse patient population.

Aaron obtained a Master of Healthcare Administration from the University of Utah. He is passionate about providing data-driven patient-centric care and creating a culture and environment that encourages positive patient outcomes.
