

CONFERENCE REVIEW

AMGA President and Chief Executive Officer **Dr. Jerry Penso** opened the conference by welcoming members to the Windy City.

Dr. Scott Gottlieb, fellow of the American Enterprise Institute and 23rd commissioner of the FDA, offered his perspectives on the devastation of COVID-19 and what it will take to defeat the next pandemic.

*AMGA 2023 Annual Conference highlights:
Members gather in Chicago for education and networking*

Sweet Home

Epic Founder and Chief Executive Officer **Judy Faulkner, MCS**, shared her thoughts on the future of digital healthcare.

Incoming Chair of the 2023 AMGA Board of Directors **Aric Sharp, MHA, CMPE, FACHE**, shared how having his position eliminated four years ago provided the refreshed perspective he needed to reconnect with his purpose. Read more on page 20.

Retired NASA Astronaut **Joan Higginbotham** drew on her experiences in demanding situations—both in space and on the ground—to share how healthcare leaders can manage seemingly insurmountable stressors.

Chef **José Andrés**, restaurateur, humanitarian, and founder of World Central Kitchen, empowered healthcare leaders to be active partners in building a healthier nation by focusing on nutrition as a means to reduce chronic illnesses.

Chicago

Awards

Acclaim Award: Premier Medical Associates received the first Acclaim Award in three years. Read more about this achievement on page 10.
