

RIZE Monthly

A newsletter for **Rise to Immunize**[®], AMGA Foundation's national campaign aimed at improving routine adult immunization rates

November 2023 Edition

The Rise to Immunize[®] (RIZE) campaign is pleased to recognize three participating organizations for their achievements in immunization care with 2023 ["RIZE to the Challenge" awards](#)! The awards are based on each organization's high performance, progress on the campaign measures, and their engagement with the campaign.

- McFarland Clinic, PC located in Ames, IA
- Summit Medical Group, PLLC located in Knoxville, TN
- UC San Diego Health located in San Diego, CA

All three organizations have continually made strides to leverage campaign activities and resources to improve adult immunization care in their communities. Congratulations to McFarland Clinic, Summit Medical Group, and UC San Diego Health! [Join us](#) to hear more about what each group attributes to their success at the upcoming campaign webinar on Nov. 16.

Thank you to all RIZE groups for your commitment to immunizations and contributions in getting us closer to the campaign goal of administering 25 million vaccines by 2025!

As always, if you have any questions, please don't hesitate to contact RiseToImmunize@amga.org.

Best,
- The RIZE Team

Campaign Spotlight

This month, we spotlight [Pfizer, Inc.](#), the Founding Sponsor of the RIZE campaign and Exclusive Sponsor of the upcoming [RIZE Symposium](#). Next week's Symposium will bring together immunization experts and participating medical groups from across the country. The event will feature compelling speakers, panel discussions, breakout sessions, and valuable networking. Thank you to Pfizer for their support, and we are looking forward to seeing everyone in person!

Resource of the Month

Our partner, National Foundation for Infectious Diseases (NFID), has released a new public service announcement video to help you educate patients on flu prevention. The video, "[Are You That Person?](#)" focuses on flu symptoms, prevention, and treatment, reminding viewers to get vaccinated annually and stay home when sick to help protect themselves and those around them from the flu. Check out the video and share with your communities this respiratory season.
