

2025 Value Roundtable Summit

June 9–10, 2025

Phoenix Park Hotel | Washington, DC

Connect with a select group of healthcare leaders focused on **expanding, optimizing, and scaling high-value care** at AMGA's Value Roundtable Summit. The agenda highlights topics such as expanding and scaling high-value care, transitions of care, and the future of community-based palliative care.

As a sponsor, you will:

- **Engage** with C-suite executives and decision-makers from medical groups and health systems from across the country
- **Gain visibility** through pre-event marketing, on-site branding, and targeted networking sessions
- **Align your brand** with innovation, performance, and high-value care excellence
- **Gain Insight** into how your organization can support AMGA members immersed in or transitioning to high-value care

View the agenda, planning committee, and additional meeting information at www.amga.org/value-roundtable-summit

Value Pathways Initiative

The Value Roundtable Summit is part of the **AMGA Value Pathways Initiative** focused on value and risk, including: best practices; optimal workflows and care redesign; education for physicians and administrative leaders; and better communication of AMGA's national advocacy on the value agenda.

AMGA Partners have the opportunity to participate in and support this important initiative by becoming a 12-month **Value Pathways Sponsor**. This enhanced sponsorship includes attendance at the Value Roundtable Summit and inclusion in the members-only AMGA Value Roundtable Hot Topic calls. In addition, sponsors have the opportunity for an exclusive meeting with the AMGA Value Steering Committee.
