

Can Patient Care Weather New Medicare Cuts?

The waves of cuts to Medicare physician payments keep coming.

CMS has now proposed a **3.36% decrease** in the Medicare conversion factor for 2024.

Healthcare Provider Strategies to Absorb Medicare Cuts*

*Results of an August 2023 survey of AMGA members

WHAT NEEDS TO HAPPEN?

To protect our patients and communities, Congress must **stop the cuts now!**

Contact AMGA at asawyer@amga.org to find out how you can help.
