Harness the Energy of In-Person Connections

There is an undeniable power in bringing together leaders, innovators, and decision-makers in person—to collaborate, share learning, and develop genuine connections—that goes beyond virtual interactions. Experience AMGA's **2024 Annual Conference (AC24)** for the transformative discussions, sharing of best practices, and strategic collaborations essential to your organization's high performance.

Here are just a few reasons why attending AC24 with your leadership team is essential:

- **Make connections.** Gain an expanded perspective by interacting with peers, mentors, and potential collaborators from the nation's leading healthcare organizations.
- **Engage in knowledge sharing.** Participate in diverse workshops, seminars, and keynote speeches led by experts in leadership, management, and strategic planning. Gain the knowledge to shape your organization's future.
- **Embrace innovation.** Be inspired to think creatively and problem solve innovatively as peer-to-peer learning opportunities abound at the conference. It's an environment where new ideas are born and where you and your team can gain a fresh perspective on your organization's challenges.
- **Focus on strategic planning.** Bring your leadership team and use the off-site, in-person time as a strategic planning session. Develop and refine your organization's strategic goals and initiatives in a private meeting space.
- **Encourage professional growth.** Invest in your own professional development as well as your team's advancement. The conference is an opportunity to see beyond day-to-day challenges. Return to your organization with enhanced skills, knowledge, and a renewed sense of purpose.

Super Early Bird Team Pricing:

Immersion Sessions (\$)

Wednesday, April 10, 1:30 pm – 5:00 pm

This year's immersion sessions feature hot-button issues in healthcare, including: Compensation and Operations, Health Equity, Staffing and Workforce Challenges, and Value-Based Care.

Heavy Lifting: Leadership Imperative During Times of Unprecedented Challenges

With a pandemic and extensive changes to E/M guidelines, compensation and operational performance have been taking a hit. This session features leading practices in improving operational performance, creating sustainable compensation models, and developing the leadership and culture to drive performance.

Note: This preconference session is closed to consulting firms.

Mapping Your Road to Value: AMGA's Value Bootcamp

The transition to value-based care comes with its own set of operational challenges, particularly when it comes to risk contracting and deciding what new compensation models will provide the right internal incentives to appropriately provide services in a value-based model. Learn more from AMGA member groups with established value-based care programs.

Improving Population Health: Addressing Care Inequity

Health inequities account for approximately \$320 billion in annual healthcare spending, which, if unaddressed, could grow to \$1 trillion or more by 2040. Learn about innovative solutions to address this potential crisis.

Addressing Workforce Challenges

Hear strategies for managing ongoing staffing shortages and mitigating the dire impacts of burnout while continuing to provide care to patients in the most cost-effective, efficient, and safest way possible.

For complete descriptions including presenters, please visit amga.org/AC24.

Continuing Education Credit

AMGA's 2024 Annual Conference is a great way to maintain your credentials and earn continuing education credit. Attendees of the 2024 Annual Conference can earn CME, CPE, and ACHE Qualified Credit hours by participating in Leadership Councils, Preconference Immersion Sessions, General Sessions, Peer-to-Peer Breakouts, Poster Presentations, and Networking Discussion Groups.

Physicians, Nurse Practitioners, Registered Nurses, and Physician Assistants (CME Credit): AMGA is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. AMGA designates this live educational activity for AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. For the purpose of recertification, the American Nurses Credentialing Center (ANCC) and the National Commission on Certification of Physician Assistants (NCCPA) accept AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME. With respect to individual states' requirements for continuing education, State Boards have final authority of the acceptance.

American College of Healthcare Executives (ACHE) Qualified Credit: By attending this AMGA program, participants may earn American College of Healthcare Executives (ACHE) Qualified Education hours toward initial certification or recertification of the Fellow of the American College of Healthcare Executives (FACHE) designation. Participants of this program who wish to have their attendance considered for ACHE Qualified Education hours should list it when they apply to the ACHE for advancement or recertification. Participants are responsible for maintaining a record of their ACHE Qualified Education hours.

CPAs (CPE Credit): By attending this program, participants may earn CPE credits. This group live activity is designated to provide continuing professional education credits in the field of "specialized knowledge." No prerequisite requirements are necessary for this event. In accordance with the standards of the National Registry of CPE Sponsors, CPE credits are granted based on a 50-minute hour. AMGA is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. (NASBA Sponsor ID: 112939)
